The Pennsylvania Certification Board (PCB) is a private, non-profit corporation which offers voluntary state-level credentialing for the substance abuse and other behavioral health professional. The Board, comprised of certified professionals throughout the state, implements standards and testing for certification of addiction counselors, prevention specialists, clinical supervisors, case managers, criminal justice addictions professionals, co-occurring disorders professionals, and auxiliary professionals. The overview will focus on the certification process for the Pennsylvania Certification Board. A question and answer session with the presenter will follow the presentation.

**Presenter:**

MARY JO MATHER, Executive Director  
Pennsylvania Certification Board

**There is no charge for this event and registration is NOT required.**
