We welcome you to join us at our 2018 Merger conference. This conference is specifically designed for those professionals who work to address the behavioral health needs of the older adult living in the community. Mental Health and Aging staff throughout our state have been collaborating to share resources and knowledge in order to improve services to our older adults. We agree to strive to meet the needs of the older person with mental health issues with a new focus on recovery.

This conference is intended to refresh us as we work towards merging our abilities. Through caring, understanding and knowledge, we can continue to grow personally and professionally, touching the lives of those we serve as well as those who serve with us.

Join us for this fun day filled with great speakers, good food, networking and important information that will help you personally and professionally.

Continuing Education Credits

Marywood University School of Social Work, an approved provider, is providing 4.5 hours of continuing education credits for social workers, applicable toward PA/LSW licensure renewal.
